

Property Management

Landlord representation for property owners

05

of six

WHAT WE DO

We act as the landlord's representative for property owners, looking after tenancies, repairs, upgrades and maintenance schedules.

Key services and capabilities

- Landlord's representative for property owners
- Tenancy and lease administration
- Tenant liaison and follow-up
- Attending body corporate meetings for owners
- Arranging quotes, repairs and upgrades
- Building maintenance and compliance schedules

Typical project types

- Tenanted residential property
- Apartments and unit title buildings
- Properties needing refurbishment between tenancies
- Buildings needing maintenance and compliance schedules

RELEVANT PROJECTS

PROJECT	WHAT WE DID
Rental refurbishments Property owners, Auckland	Refurbishment and turnaround of rental properties for owners across Auckland, including New North Road, Kingsland, among many others.
Body corporate planning Unit Titles Act 2010	Long-term Maintenance Plans prepared, reviewed and implemented for owners, with consultants and contractors coordinated and delivery managed.

The value we bring

- One contact for tenants, trades and body corporates
- Repairs and upgrades quoted and arranged by someone with construction experience
- Maintenance and compliance schedules kept current

What sets us apart

- Construction and refurbishment capability in-house
- Long-term maintenance planning knowledge
- Brett attends body corporate meetings on the owner's behalf
